

tripBoomerang vs Other Online Sites

Thank you for making the choice to support great causes. We hope you will enjoy the valuable gift of Travel eCodes and return to support your organization again and again.

Will tripBoomerang save me money compared to other popular online travel sites?

In short, the answer is YES, tripBoomerang will save you money compared to other Online Travel Sites, here's how:

- tripBoomerang's inventory of available hotel rooms comes from the same inventory used by other popular online travel sites.
- tripBoomerang's exclusive low prices are not advertised to the general public -- only those that receive a tripBoomerang Travel eCode have access to these exclusive prices
- When searching tripBoomerang, every available hotel is analyzed. Based on the \$'s in your Travel Savings Balance, maximum savings will be applied to your booking.
- tripBoomerang also searches every online site and compares pricing for you.
- tripBoomerang includes taxes in the displayed price, online sites do not include taxes.
- In short, the answer is YES, tripBoomerang will save you money compared to other Online Travel Sites.

Let's do a random search and show you how.

Courtyard Marriott, Scottsdale AZ Aug 21, 1 room 2 occupants

same hotel, room, and date	Search Price	Final Price
Expedia	\$169 (no taxes included)	\$193
Hotels.com	\$169 (no taxes included)	\$193
tripBoomerang	\$148 (taxes included)	\$148 (\$45 savings)
